Marketing Planning

With activ digital marketing Kingston, our clients benefit from a wide range of digital marketing services to enhance their online presence and generate leads for their business.

Your business will have the support of a dedicated local activ consultant to work with you personally; backed by a national company with a team of digital marketing experts.

We offer a range of digital marketing services for your business

- ☆ Web design
- ☆ SEO
- ☆ Social Media Management
- ☆ PPC
- ☆ Email Marketing
- ☆ Marketing Planning
- ☆ New Business Start Up Packages
- ☆ Video Content Marketing
- ☆ Digital Business Cards

How our digital marketing services work together to propel your business forward.

Professional **web design** ensures an impressive online presence, complemented by robust **SEO** strategies for increased visibility. Engaging **social media management** and targeted **PPC** campaigns will resonate with your audience. Versatile **email marketing** and compelling **video content** create diverse communication channels. Strategic **marketing planning** and **new business startup packages** offer comprehensive support to boost your business success.

Your website is designed to be more than just a digital presence; it's engineered to generate inquiries and online sales. It's your 24/7 sales engine, tirelessly working to drive business growth.

At activ, we don't believe in one-size-fits-all solutions. Our websites are bespoke, not templates, utilising the latest functionality and design to create a unique marketing tool right for your business.

How professional web design can benefit your business

24/7 Sales Engine

Responsive Design

Brand Consistency

Improved User Experience

Faster Loading Times

Encourages Trust and Credibility

How Web Design works with our other services

Our Web Design service is the cornerstone of our digital marketing solutions. It complements all our other services by providing a robust online foundation, enhancing the effectiveness of other strategies such as SEO, PPC, and social media marketing.

Imagery or video content is supplied. For significant additional post volumes, please ask us for a bespoke quotation.

Please note: All Social Media Management Packages are subject to a minimum contract period of 12 months, followed by 1 month's notice thereafter.

Make it easy for potential clients to find your products and services online. Our SEO service is designed to boost your website's visibility, achieve higher Google rankings, and attract those actively seeking what you offer.

At activ we create a tailored strategy that attracts your ideal clients by targeting relevant keywords. We optimise your website's content and promote it across the internet to achieve consistent ranking improvements month after month.

How our SEO service can benefit your business

-  **Target Your Ideal Clients:** SEO helps you focus on the right audience, ensuring that those searching for your offerings discover your website.
-  **Attract Ready-to-Convert Visitors:** By optimising your website for search engines, you attract visitors who are already interested in your products or services, increasing the likelihood of conversions.
-  **Higher Rankings, More Visitors:** Improve your website's ranking on search engines, resulting in a steady stream of organic traffic and potential customers.
-  **Invest in Your Website:** Your website is your most valuable asset. SEO ensures it performs at its best and delivers the results you need.

How our SEO service works with our other services

Our SEO service seamlessly complements our other digital marketing services, including web design, social media management, PPC, email marketing, and video content. It enhances your online presence, improves search engine rankings, and aligns with your broader marketing goals. This synergy ensures a cohesive and impactful digital marketing strategy that generates results.

We are by no means an agency that can create full feature-length films, but we do understand the value of good content. That's why we offer a simple video production service.

Using the latest video creation tools, we can create explainer video content for you.

Whilst our video production does not include the use of voiceovers, animation or filmed footage, the effect is just as professional.

How our video content service can benefit your business

Effective Communication: Engage your audience with concise and powerful messaging.

Boosted Engagement: Keep viewers hooked, leading to longer interaction and better brand recognition.

Versatility: Use videos across multiple platforms to reach your audience effectively.

Enhanced SEO: Improve search engine rankings and drive organic traffic to your website.

How our videos have been used by clients:

- To create YouTube channels
- To post on social media channels
- Business launches or important announcements
- Used in presentations

At activ we believe that the foundation of successful marketing lies in meticulous planning. Our marketing planning service offers you a strategic roadmap to elevate your marketing efforts.

We take the time to understand your business and craft a well-thought-out plan that will shape your marketing strategy for the entire year. We're more than just a social media marketing agency; our plans are comprehensive and tailored to your unique needs.

How our marketing planning service can benefit for your business

- 📋 Strategic Clarity
- 📋 Data-Driven Decision Making
- 📋 Cost Efficient
- 📋 Maximises Marketing ROI
- 📋 Long Term Growth Plan
- 📋 Offers Adaptability to Trends

How marketing planning works with our other services

Our marketing planning service acts as the central thread that weaves together all our digital and marketing services. It ensures that services such as web design, SEO, PPC, and social media management work in harmony toward a common goal. For instance, if our planning process highlights the importance of SEO, our SEO experts seamlessly integrate their strategies into the overall plan. This tight integration ensures that all services complement each other, maximising the impact of your marketing efforts.
